COLMAIA TOSCANA I.G.T. 2019 BIO

Produced with grapes from certified organically managed vineyards, it is a Sangiovese-based wine.

The grapes, from one of Tuscany's best-known vines, are selected from the vineyards located in the cooler areas.

Production Area: Tuscany

Grape varieties: Sangiovese

Vinification: Vinification with short maceration on the skins. Refinement in the bottle.

Production: 8.500 bottles

Alcohol content: 13%

Vintage 2019: The spring rains were followed by a summer with temperate heat. At the time of the harvest, the grapes had an excellent degree of ripeness.

Tasting notes: Aromas of crisp and ripe red fruit. In the mouth fresh, soft and with good pastiness. A modern wine that does not lose the typical characteristics of drinkability and pleasantness that made Tuscany famous.

Pairings: A fresh wine that complements any dish.

Recommended serving temperature: 18°
