## **Badia a Coltibuono 2019 Chianti Classico Riserva**

Chianti Classico Riserva, made primarily from sangiovese grapes, represents the pinnacle of wines from Chianti in Italy's Tuscany region, explains Blackwell-Calvert. It's delightfully spry and blackberried in youth with bright acidity and sharp, angular tannins that provide enough backbone for it to develop its distinctly truffled, floral perfume with age.
