### **Badia a Coltibuono**

#### **Sangiovetto**

#### **Toscana IGT 2020**

#### *Sangiovese*

*Medium garnet red in colour. Aromas of violet, crushed rose, cherry liquid and mellow spice. Soft and rounded upon entry, citrus character with sweet accents. Juicy. Black and red berry fruit. Fresh ripe tannins with a steel core interplay with slate minerality. Poignant acidity. Looks simple enough until you really concentrate and peel back the layers. A triumph!*

#### **Toscana IGT 2020**
