Here's a new fun summer red that could be served a few degrees chilled. Made in stainless steel only, the Badia a Coltibuono 2024 Ciliegiolo Chill Ya Jolo Labadia reveals a magic-potion-like color with cranberry juice redness and purple background hues. The bouquet is charming and simple with wild cherry and blueberry. Its structure is lean, but the wine ends with food-friendly freshness. I have a soft spot for wines like this, especially ones that feature Ciliegiolo, one of my favorite newly rediscovered Tuscan grapes. This quick-drinking wine has a 20,000-bottle release.

Roberto Stucchi Prinetti sent me a sample of a new delicious and fun lightweight red wine made with Ciliegiolo called Chill Ya Jolo Labadia. All the other samples sent (the 2022 Chianti Classico, the 2020 Chianti Classico Riserva, the 2019 Chianti Classico Riserva Cultus, the 2020 Sangiovetto and the 2019 Montebello) were previously reviewed, and you will find notes for them in our database.
